635	<b>Notes:</b>																
636	1. Separate folders below contain deleted FMs/TMs and most current ARTEPs, STs, TMs, and TCs (and Joint Pubs for which the Army is PRA)																
637	2. The lines highlighted in yellow, and red ink indicate most recent changes made by HQ TRADOC, i.e. new FM numbers changes to align closely with Joint Pubs, new numbers that have not been assigned, etc																
638	3. R* -- Restricted/ " locked" on Reimer Digital Library																
639	4. Status An FM shelf life is normally 5 years (can be more or less as determined/validated by the proponent). The status of green, amber, or red is based on the authenticated FMs that are available to the Operational Forces.																
640	Green	Publications have not exceeded 5 years and/or proponent has determined it currency.															
641																	
642	Amber	Publications have exceeded 5 years but the proponent has not validated currency.															
643																	
644	Red	Publications have reviewed publications and determined the FM needs revision.															
645
