654	Notes:																					
655	1. R* -- Restricted/ "locked" on Reimer Digital Library																					
656	2. Status	An FM shelf life is normally 5 years (can be more or less as determined/validated by the proponent). The status of green, amber, or red is based on the authenticated FMs that are available to the Operational Forces.																				
657	Green	Publications have not exceeded 5 years and/or proponent has determined it currency.																				
658																						
659	Amber	Publications have exceeded 5 years but the proponent has not validated currency.																				
660																						
661	Red	Publications have reviewed publications and determined the FM needs revision.
