(complimentary opening) and has the honor to refer to recent discussions between our two governments regarding the status of US. military personnel and civilian employees of the department of defense who may be present in Jordan in connection with their official duties.

As result of these discussions, the United States government proposes that such personnel be accorded the same status as that provided to the technical and administrative staff of the United States Embassy and that they may enter and exit Jordan with United States government identification and with collective or individual travel orders. The United States government further proposes that such personnel would be authorized to wear their uniforms while performing their official duties and to carry arms while on duty if authorized to do so by their orders; and that the government of the Hashemite Kingdom of Jordan accord free entry into and landing upon the territory of Jordan, and accord duty-free treatment upon importation or exportation as well as exemption from internal duties and taxes of products, property, materials, or equipment imported into or acquired in Jordan or on behalf of the United States government.

Finally, the United States government proposes that both governments waive any and all claims (other than contractual claims) against each other for damage loss or destruction of property arising out of any official duties.

If the foregoing is acceptable to the government of the Hashemite Kingdom of Jordan, the Embassy proposes that this note together with your reply, shall constitute an agreement between our two governments, effective from the date of your reply. (complimentary close).
