

7.0 PREPARERS AND CONTRIBUTORS

John K. Austin, Environmental Analyst, Noise, HQ ACC/CEVP
B.S., Biology; University of Virginia, 1999
Years of Experience: 1

G. Michael Brown, Project File/Land Use, SAIC
B.S., Environmental Science, University of Idaho, 1998
Years of Experience: 1

Maureen Cunningham, Biological Resources, SAIC
B.A., Botany, University of Tennessee, 1976
M.S., Botany, University of Tennessee, 1983
Ph.D., Ecology and Evolutionary Biology, University of Tennessee, 2000
Years of Experience: 25

Linda Devine, REM, Project Manager, HQ ACC/CEVP
A.S. Science, Undergraduate Studies, Environmental Science
Years of Experience: 17

Dave Dischner, Safety, SAIC
B.A., Urban Affairs, Virginia Polytechnic Institute, 1974
Hazardous Materials Management Certificate, University of California, 1988
Years of Experience: 24

Bill Doering, Biological Resources, SAIC
B.A., Biology, University of San Diego, 1988
M.S., Zoology, Idaho State University, 1996
Years of Experience : 10

Jerry Dougherty, Materials Management, SAIC
B.S., Civil Engineering, New Mexico State University, 1960
M.S., Civil Engineering, University of Oklahoma, 1972
Years of Experience: 40

Claudia Druss, Cultural Resources, SAIC
B.A., University of Colorado, Boulder, 1977
M.A., Anthropology, Idaho State University, 1980
Years of Experience: 22

Michele Fikel, Project Manager, SAIC
B.A., Geography, University of California, Santa Barbara, 1985
Years of Experience: 13

Kimberly Freeman, Production Manager, SAIC
Years of Experience: 16

Sheri Freemuth, QA/Land Use, SAIC
B.A., Political Science, Scripps College, 1982
M.C.P., City Planning, San Diego State University, 1985
Years of Experience: 14

Susan Hale, Public Involvement, SAIC

Environmental and Occupational Health Technician Certification, U.S. Air Force

Years of Experience: 31

Irene Johnson, Environmental Justice, SAIC

M.A., Economics, University of Washington, 1991

B.S., Economics, George Mason University, 1989

Years of Experience: 10

Claudia Laughlin, Graphics, SAIC

5 Years undergraduate study, Advertising Design, Boise State University

Years of Experience: 6

David Lingner, Air Quality, SAIC

Ph.D., Chemistry, Purdue University, 1985

B.S., Mathematics and Chemistry, Bates College, 1978

Years of Experience: 19

Kathy Lombardi, P.E., Physical Resources, SAIC

B.S., Environmental Engineering, Humboldt State University, 1994

M.S., Water Resources Engineering, University of Wisconsin-Madison, 2000

Years of Experience: 8

Forrest Smith, Editor, SAIC

B.A., History and Political Science, University of California Santa Barbara, 1970

Years of Experience: 27

Bob Thompson, Airspace, SAIC

B.S., Mathematics, Heidelberg College, 1968

M.A., Human Resources Management, Pepperdine University, 1979

Years of Experience: 30

Robert Van Tassel, Program Manager/QA, SAIC

B.A., Economics, University of California-Santa Barbara, 1970

M.A., Economics, University of California-Santa Barbara, 1972

Years of Experience: 27

Chris Wildt, Project File, SAIC

B.S., Anthropology, Portland State University, 1991

Years of Experience: 9
