Cumulative Effects, Irreversible, and
Irretrievable Commitment of Resources

Section TY5
Summary of Proposed Management
Actions

This section of the Draft EIS presents site-specific and resource-specific details on existing environmental conditions for Tyndall AFB. It also describes the potential environmental consequences of this alternative.

A summary of public and agency comments received during scoping are included in section TY2.4.

Throughout this section for Tyndall AFB, we have added margin notes defining terms and highlighting items of interest.
