## INTRODUCTION

In March 2004, SIGIR formed the Iraq Inspectors General Council (IIGC) to provide a forum for discussion of oversight in Iraq and to enhance collaboration and cooperation among the inspectors general (IGs) of the agencies that oversee Iraq reconstruction funds. Representatives of member organizations meet quarterly to exchange details about current and planned audits, identify opportunities for collaboration, and minimize redundancies.

The most recent meeting was held on May 14, 2008, at the SIGIR office in Arlington, Virginia. The following organizations attended the meet-

- Department of Defense Office of Inspector General (DoD OIG)
- Department of State Office of Inspector General (DoS OIG)
- U.S. Army Audit Agency (USAAA)
- U.S. Agency for International Development Office of Inspector General (USAID OIG)
- Government Accountability Office (GAO)
- Defense Contract Audit Agency (DCAA)
- SIGIR

On January 28, 2008, the President signed the National Defense Authorization Act (NDAA). Section 842 of the NDAA authorizes SIGIR to develop a comprehensive audit plan for a series of contract audits of the performance of security and reconstruction functions in Iraq. The legislation requires SIGIR to lead the planning and coordination of these audits, in consultation with other oversight agencies, which include DoD OIG, DoS OIG, and USAID OIG.

During this quarter, DoD Inspector General Claude M. Kicklighter submitted his resignation; President Bush designated Gordon S. Heddell as Acting Inspector General. Also during this quarter, DoS Inspector General Howard J. Krongard resigned his position, and Harold W. Geisel has been designated Acting Inspector General.

Each quarter, SIGIR requests updates from member organizations on their completed, ongoing, and planned oversight activities. This section summarizes the audits and investigations reported to SIGIR this quarter by DoD OIG, DoS OIG, USAID OIG, GAO, and USAAA. For DCAA updates, see Appendix N. The U.S. Department of the Treasury and the U.S. Department of Commerce did not complete or initiate any new audits this quarter.

#### OTHER AGENCY AUDITS

This section updates the audits that IIGC member agencies reported to SIGIR:

For recently completed oversight report activity, see Table 4.1.

For ongoing oversight report activity of other U.S. agencies during this reporting period, see Table 4.2.

For more information on other agency audits, including audit summaries, see Appendix N.

For a complete historical list of audits and reviews on Iraq reconstruction by all U.S. entities, see Appendix O.

#### OTHER AGENCY INVESTIGATIONS

SIGIR regularly coordinates with other government agencies conducting investigations in Iraq. For the status of investigative activities from other agencies, see Table 4.3.
