Transportation Systems Sector

5. November 29, KXAN 36 Austin – (Texas) Man hit by truck, killed while crossing I-35 near Oltorf. The northbound lanes of Interstate 35 in Austin, Texas, were closed for 2 hours November 29 after a pedestrian reportedly trying to cross the interstate was struck and killed by an oncoming vehicle.

6. November 29, KNTV 11 San Jose – (California) Big rig crash closes eastbound lanes of SR 12 in Solano County. Eastbound California State Route 12 in Solano County was closed until further notice November 29 while crews worked to clear the debris after a semi-truck crashed and spilled dirt across the roadway.

8. November 28, WJZY 46 Belmont – (North Carolina) Police: 1 killed in tractor trailer crash in Gaston County. One person was killed November 28 following a 2-vehicle collision on Highway 321 in Gaston County, North Carolina, that prompted the closure of the roadway for more than 2 hours. Two people were transported to the hospital with minor injuries.

9. November 28, Softpedia; San Francisco Examiner – (California) San Francisco metro system hacked, everyone getting free rides. The San Francisco Municipal Railway (MUNI) was hacked November 25 to provide free rides to all passengers through November 26, and the attacker demanded a ransom of 100 Bitcoin, or $73,000 if the transit system wanted the ransomware removed from its ticketing systems and its
services restored. MUNI officials reported the service was not impacted during the hack and the investigation is ongoing.

10. **November 29, Associated Press** – (New York) **Cargill accountant admits stealing $3M, causing $25M in losses.** A New York-based corporate accountant for Cargill Inc. pleaded guilty November 28 to embezzling at least $3.1 million from the company over a 10-year period and causing $25 million in losses to the firm’s grain shipping operations at the Port of Albany by sending customers invoices for animal feed at prices well below what her employer paid, and directing customers to send the payments directly to her in order to bypass the business’s corporate controls. The charges also allege that the accountant declared $61,208 in income on her 2015 individual tax return, omitting over $450,000 that she received from defrauding Cargill customers.

11. **November 29, Pottstown Mercury; Associated Press** – (Pennsylvania) **Flames destroy Upper Providence lumber yard.** Beans Lumber Co. in Royersford, Pennsylvania, was declared a total loss after a 2-alarm fire November 27 that took firefighters several hours to contain. No injuries were reported and the cause of the fire remains under investigation.

12. **November 28, WTKR 3 Norfolk** – (North Carolina) **North Carolina fisherman pleads guilty to illegally selling Atlantic Striped Bass.** A commercial fisherman pleaded guilty November 28 to illegally harvesting more than 12,000 pounds of Atlantic Striped Bass from Federal waters off the North Carolina coast from January – February 2010, and harvesting roughly 1,750 pounds of the fish from the U.S. Exclusive Zone at an estimated $14,000 fair-market retail price. The National Oceanic and Atmospheric Administration found in its investigation that the defendant hid the real location of the harvest in his Federal vessel trip reports.
